# ASSEMBLAGE

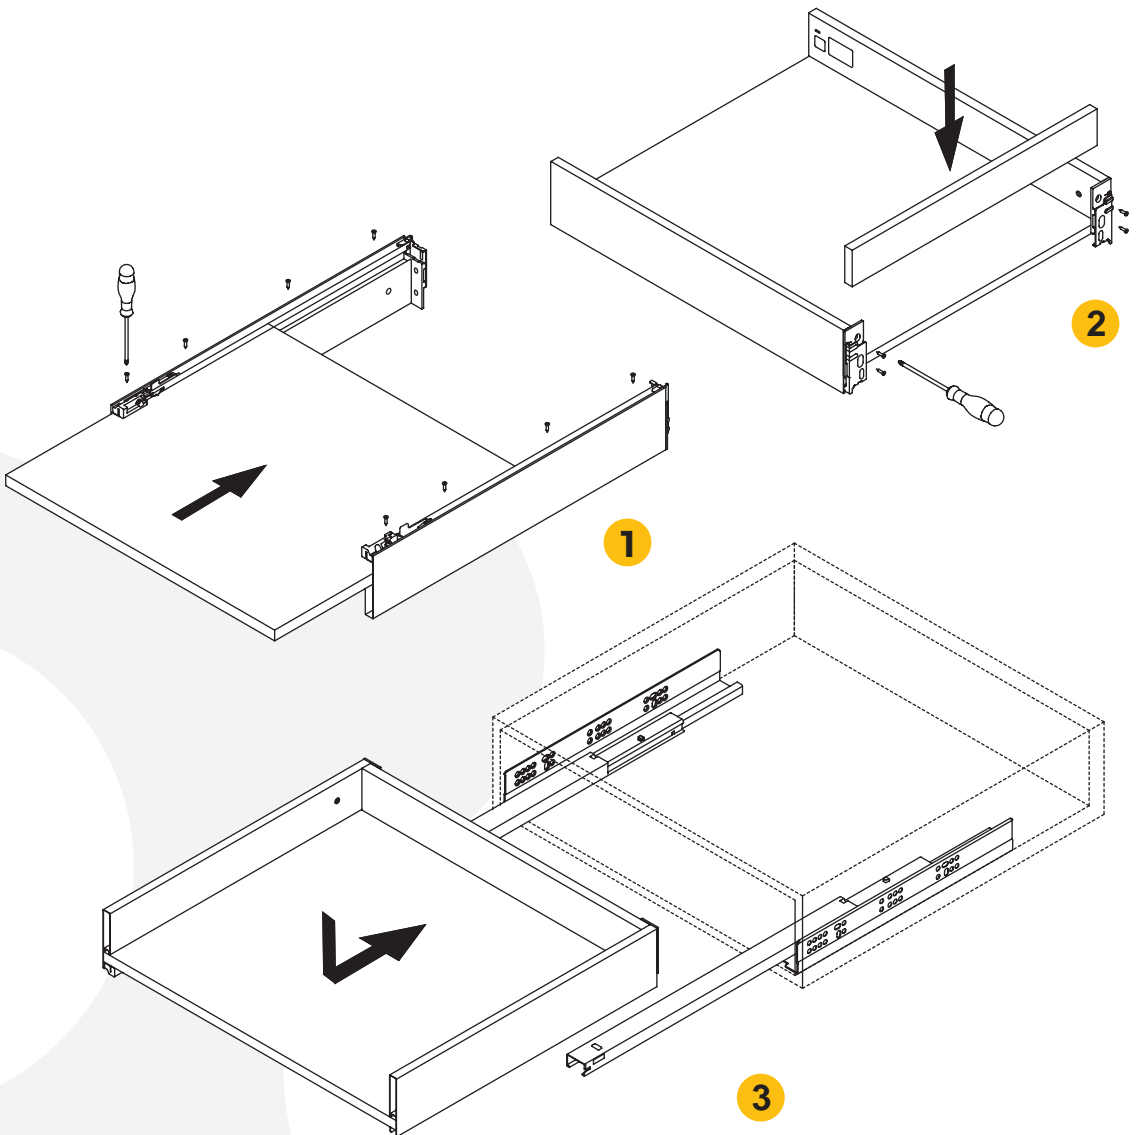

## ASSEMBLY

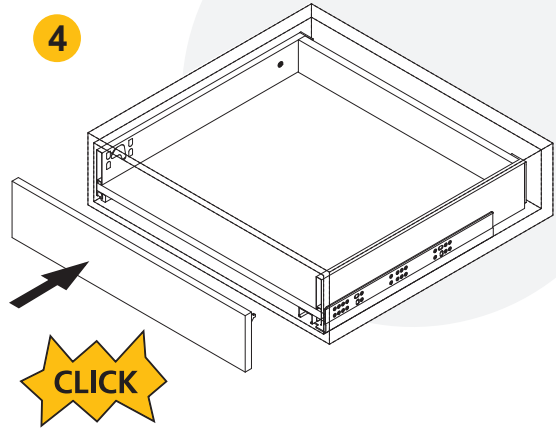

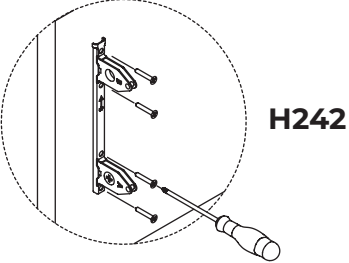

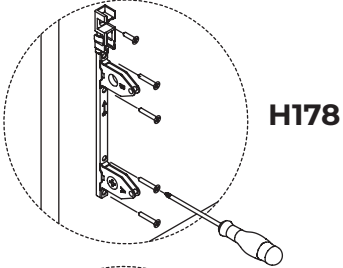

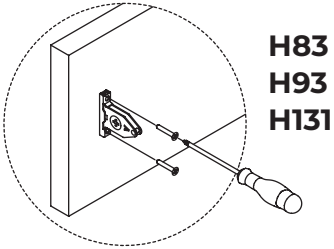

### Assemblage rapide et facile

Quick and easy assembly

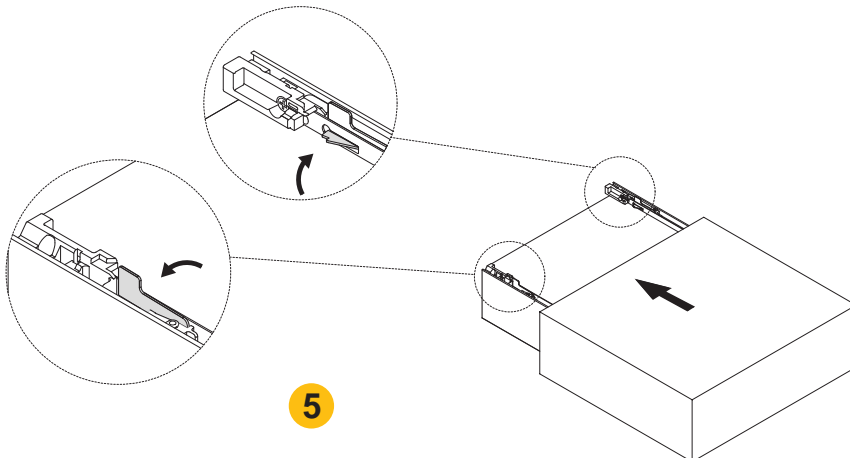

Grâce à son système d'assemblage rapide, le tiroir peut être terminé en quelques minutes seulement, ce qui représente une économie importante en termes de temps d'installation.

Thanks to its quick assembly system, the drawer can be finished in just a few minutes, which means significant savings in installation time.

- 5 **Déverrouillage des guides et démontage**  
Unlocking the guides and disassembly

## RÈGLEMENT REGULATION

Réglage en 3D pour une côte parfaitement nette et pour faciliter le réglage dans les endroits difficiles d'accès.

3D adjustment for a completely clean side and also facilitates adjustment in hard-to-reach spaces.

**Des solutions précises et innovantes**  
Precise solutions also in innovation

**Créez votre propre espace où vous le souhaitez**

Create your own space wherever you want

**Chaque pièce a besoin d'un espace de rangement adéquat. Avec Vertex, créez la solution adaptée à vos besoins. Toujours avec le dernier design.**

Every room needs adequate storage space. Create the right solution for your needs with Vertex. Always with the latest design.

# SYSTÈME DE FERMETURE DOUCE

## SOFT CLOSING SYSTEM

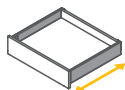

La fermeture amortie permet au tiroir de se fermer progressivement, avec une force d'ouverture minimale, ce qui améliore l'expérience de l'utilisateur.

The damped closing makes the drawer close progressively, with minimal opening force, which enhances the user experience.

## OPTIONS D'EMBALLAGE

### PACKAGING OPTIONS

#### La plus large gamme de formats en caisses

The widest range of formats in crates.

Chez Emuca, nous avons développé un concept d'emballage capable de combiner différentes solutions de tiroirs (coulisses) en fonction de vos besoins. Cela permet d'obtenir la plus grande compatibilité de tiroirs sur le marché et d'optimiser le stock. Nous proposons ainsi l'une des gammes les plus complètes de tiroirs. Cela permet d'économiser de l'espace et du stock dans votre approvisionnement.

At Emuca we have developed a packaging design that is capable of combining different drawer solutions (slides) according to your needs. Achieving the greatest compatibility of drawers on the market and optimising stock. In this way we offer one of the most complete ranges of drawer solutions. This saves space and stock in your supply.

Aluminium naturel/Natural aluminium	■ 10 KIT	3202261

Aluminio/Alumínio

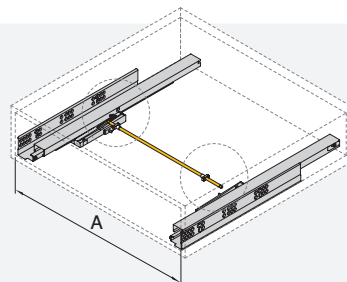

- Kit de barre et d'adaptateurs pour l'ouverture et la fermeture synchronisées des glissières Vertex Push Sincro.
- Permet d'ouvrir le tiroir en appuyant sur la partie avant du tiroir à partir de n'importe quel point du tiroir.
- La longueur de la barre permet le montage dans des tiroirs pour des modules d'une largeur maximale de 1200 mm.
- Recommandé pour les tiroirs d'une largeur supérieure à 600 mm.
- Kit of bar and adapters for synchronised opening and closing of Vertex Push Sincro slides.
- Allows the drawer to be opened by pressing the front of the drawer from any point on the drawer.
- The length of the bar allows the assembly in drawers for modules with a maximum width of 1200 mm.
- Recommended for drawers wider than 600 mm.

**La nouvelle série d'organiseurs de tiroirs Orderbox**

The new series of drawer organisers Orderbox.

# ORGANISATEURS ORDERBOX

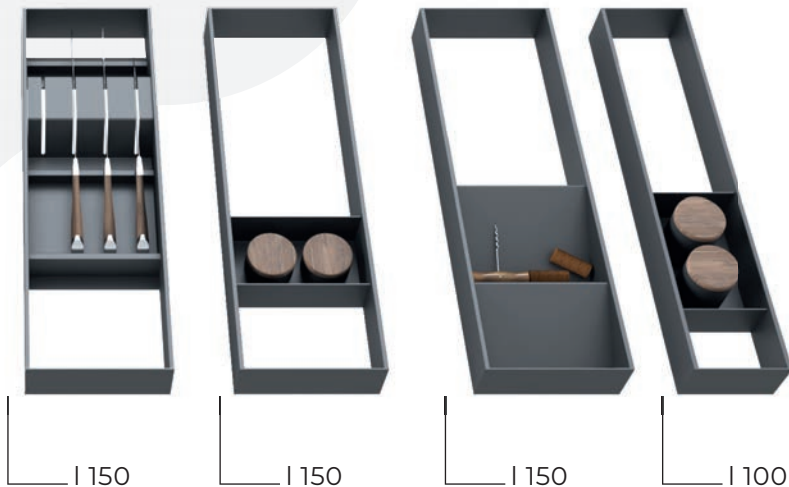

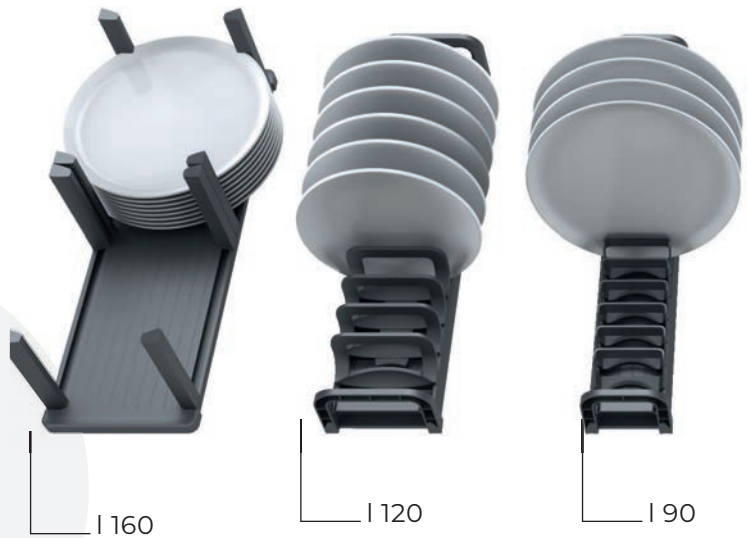

## ORDERBOX ORGANISERS

### L'élégance et l'ordre en un

Elegance and order in one

Ils sont fabriqués en acier et en stratifié phénolique. Ce matériau, en plus d'un design moderne et minimaliste, offre de grands avantages tels que la résistance à l'eau, l'antibactérien et la résistance à la corrosion.

They are made of steel and phenolic laminate. This material, in addition to a modern and minimalist design, provides great advantages such as water resistance, anti-bacterial and corrosion resistant.

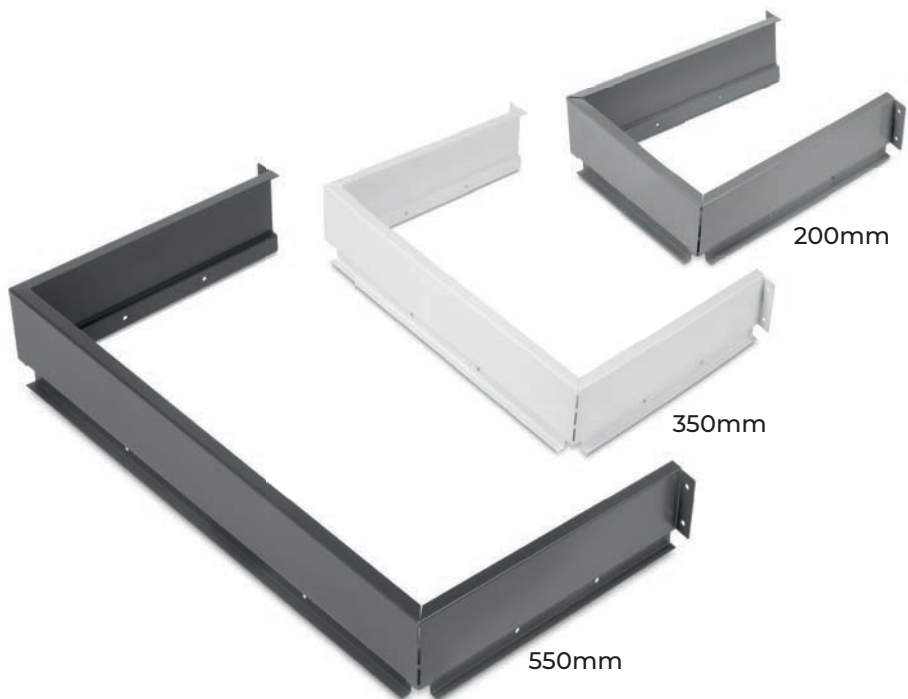

## ECONOMISEUR DE SIPHON UNDER-SINK

**Fonctionnalité et design.**  
Le économiseur de siphon rectangulaire se caractérise par son design élégant et stylé à paroi mince. Il est destiné à être installé dans un tiroir de salle de bains, sous le lavabo.

**Functionality and design.** The rectangular bath tap is characterised by its elegant and stylish thin-walled design. It is intended for installation in a bathroom drawer under the washbasin.

Panneau arrière en métal pour le tiroir sous évier  
Metal rear for under-sink drawer

## ÉCLAIRAGE LIGHTING

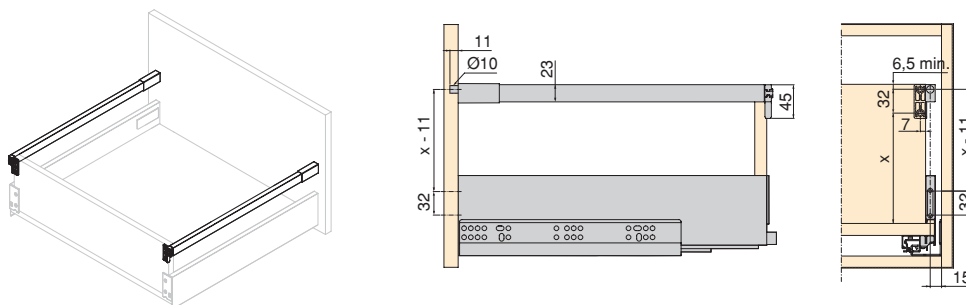

Il éclaire et crée l'ambiance dans l'intérieur. L'éclairage, en plus de fournir la luminosité nécessaire, génère une atmosphère sophistiquée et élégante dans tous les espaces./

It illuminates and sets the mood in the interior. The lighting, in addition to providing the necessary luminosity, generates a sophisticated and elegant atmosphere in all spaces.
