where creation begins

DeCor 
where people begin

Chez **Emuca**, nous croyons que nous sommes **where creation begins** —« là où la création commence »— parce que nous aidons les fabricants à donner forme à leurs meubles. Mais la vie nous rappelle aussi que créer signifie reconstruire. Après les inondations qui ont frappé Valence et notre siège, nous avons appris à relever des défis et à recommencer

Inspirés par la résilience des communautés voisines, nous avons créé DeCor, une marque solidaire pour aider à reconstruire et offrir de nouvelles opportunités à ceux qui en ont le plus besoin. **DeCor**, qui en valencien signifie « du cœur », reflète notre essence : **redonner espoir et opportunités**.

DeCor est notre engagement envers de nouveaux départs. Un projet fait avec le cœur.

At Emuca, we believe we are **where creation begins** because we help manufacturers shape their furniture. But life also reminds us that creating means rebuilding. After the floods that hit Valencia and our headquarters, we learned to face challenges and start again.

Inspired by the resilience of neighboring communities, we created DeCor, a solidarity brand to help rebuild and provide new opportunities to those in need. **DeCor**, which means “from the heart” in Valencian, reflects our essence: **restoring hope and opportunities**.

DeCor is our commitment to new beginnings. A project made from the heart.
