**Titanium Finish
Offered**

TITANE

Pull-out rack

2 Baskets and breadbasket

Maximize the utility of lower units with this functional accessory, perfect for organizing and facilitating easy access to food.

It comprises **two ample baskets and a bread bag** to ensure everything remains secure and organized. It boasts **full-extension runners** and a soft-close mechanism, along with an adjustable system for precise and versatile installation.

[**EXPLORE FURTHER**](#)

3 Baskets

Thanks to its innovative design, this accessory facilitates rapid and **effortless installation** while providing complete access to the furniture's contents. Its three generous baskets maximize space and enhance interior organization. It is equipped with fully extendable roller guides **featuring a soft-close** mechanism, ensuring smooth operation even when fully loaded. Furthermore, **its adjustable system** accommodates various configurations.

[**VIEW MORE**](#)

The background features a pattern of large, overlapping organic shapes in a vibrant green color against a white background. The shapes are fluid and non-geometric, creating a modern, abstract aesthetic.

FEATURED PRODUCTS

Lighting Revolution: Intelligent Converters and Sensors

Smart lighting optimizes efficiency through reduced power consumption. Engineered for compatibility in nearly every country, its installation is straightforward, and its reach is worldwide.

[LEARN MORE](#)

Optimizes energy consumption due to its elevated power factor.

HIGHLIGHTED

Elegance, softness, and durability Placard 74

The Placard 74 sliding system is a solution crafted to elevate wardrobe doors into sophisticated and functional elements.

With a load capacity of up to 70 kg per door and silent sliding, the system ensures that each opening and closing is smooth, safe, and seamless, thanks to the Slowmove brake. Its adaptable design permits custom configurations and the integration of various materials or panels on a single door.

[**EXPLORE FURTHER**](#)

Vertex drawer

Characterized by sleek, straight lines, it is conceived, designed, and crafted to enhance the interior of any piece of furniture.

Exceptional stability is achieved through synchronized **full-extension guides**, featuring soft-closing mechanisms and a **load capacity of 60 kg**.

[VIEW MORE](#)

Sway collapsible hanger

The optimal solution for utilizing the upper sections of the wardrobe.

- Featuring a gentle cushioning system, it provides a **comfortable and secure experience**.
- Adjustable and simple to install.
- Crafted from premium materials.
- It seamlessly integrates functionality with contemporary design to enhance organization and maximize space within the home.

Compatible with the complete array of QUARTZ accessories featuring a titanium finish.

Trends 2025

This year at the Salone del Mobile, we are not merely observing design; we are experiencing it firsthand. In this series of exclusive interviews, we engage with prominent figures in the industry to uncover the trends that will define 2025. Join us and do not miss their diverse insights!

Ideas of our clients

Wardrobe and lighting fixtures.

This dressing room project is exceptional: a space that is both functional and elegant, encompassing all essential elements.

Shoe racks, bars, and drawers enhance the structure, but lighting is essential, making a significant difference and adding that special touch that transforms a closet into a 10. 🥰

Ideas of our clients

Application of our **Simplex drawer with Silver full-extension runners** and latches 🏡

Installed in bathroom furniture, this system combines functionality, smooth operation and careful design.

Thanks to our wide range of drawers, with different sizes, capacities and finishes, **we can adapt to all types of projects.**

📍 Presented at the Cevisama trade fair, where innovation in the bathroom takes centre stage.

CURRENT EVENTS

Training Sessions

Incorporate agility and expertise.

Conducting practical sessions enables the **enhancement of the sales experience through compelling arguments**, the exploration of the full potential of our product families, and the resolution of real-world inquiries.

We recently accomplished this at several workshops focused on our lighting ranges and Concepta3, facilitated by our colleagues Quique Peris and Aarón Martínez, who assisted the client in exploring all available possibilities.

Please note that **you can request either in-person or online training** with our technical and sales team.

Collaborative sessions

collaborating closely with our clients

Two highly enriching days during which we had the opportunity to showcase our product ranges to José Parra's clients: lighting, guides, drawers, hinges, and much more!

An excellent opportunity to disseminate information, address inquiries, and enhance collaboration.

Thank you for your trust and for welcoming us once again! 🙌

CURRENT EVENTS

Cologne, Germany
20 to 23 May

[+ INFO](#)

Cologne becomes the epicentre of innovation and our team will be travelling to Interzum to bring you all the latest news from the sector.

Follow us on social media and don't miss out on what's coming up!

We will bring you the trends that will shape the design of the home and workspaces of the future. Under the slogan 'Rethinking Resources: Circular and Biobased Solutions', this edition focuses on sustainability and the circular economy, with proposals that will be as inspiring as they are necessary.

**Salone
del Mobile
Milano**

Milan, Italy, from April
8 to April 13.

+ INFO

Milan Exhibition

This year, we are once again engaging with one of the world's most significant design fairs: the Salone del Mobile in Milan.

We investigate every facet, examine emerging developments, engage with designers, and curate the most compelling trends and inspiring products of the moment.

We will consolidate all these concepts into a Trends Book that is certain to inspire you. Additionally, throughout this month, we will be featuring interviews with leading designers and companies in the industry on our social media platforms.

Follow us to stay informed!

CURRENT EVENTS

CASA DECOR

Madrid, Spain, from
April 3 to May 18.

[+ INFO](#)

In April, we will visit Casa Decor in Madrid to gather inspiration and incorporate design trends into our products, both new and those in development.

Follow us on social media, and we will keep you informed about all the latest developments.

EMUCA ONLINE TRAINING

We answer your questions.

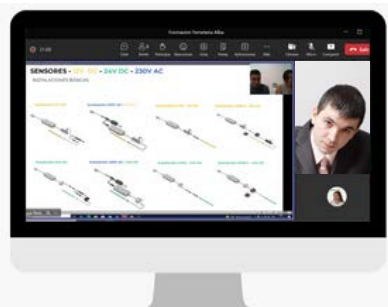

Remember that **we offer you training courses** or online meetings with our technical and commercial team.

At Emuca **we have a technical recording room** fully prepared for this type of training.

Do not hesitate to count on us for these types of proposals and ability to speed up the learning process in certain families.
